

# Fingerprints Priorities for Learning

**Fingerprints**  
Christian Pre-School

*Our daily prayer  
Our loving creator, this new day is for you.  
Please bless everything I think, I say and I do. Amen*

*Ma te atua e manaaki*

Our priorities for our tamariki and each other are to build an environment where everyone who enters will see and feel what is important here. The

Team at Fingerprints have identified them as:

**Strong Foundations/God's Word /Faith**

to pass on to our mokopuna the stories of our past, present and future.

Knowing we each have a part in the big story (God's word).

Whakatauki/Proverbs: 22:6

*Train up a child in the way they should go and when they are old they will remember*

- **Unique/Accepted/Aroha** (God made each person uniquely)
- **Manaakitanga-Safe/Included/Belong/Welcomed** (loved for who we are, not just who we will become)
- **Te Reo and Tikanga** (Honouring the Treaty of Waitangi in action, word and truth)
- **Respect and Equality** (everyone has rights, equitable opportunities for all, firm boundaries)
- **Problem solver** (no fear of failure-dare to try)
- **Freedom/Curiosity** (freedom to ask questions and explore)
- **Whanau/Community** (parents as first teachers, aspirations of families for tamariki, loving and giving thanks for our community)
- **Bicultural/Multiculturalism** (Truly rejoicing and celebrating the richness of diversity)
- **Achievement** (find the ability to fly, nurturing success, building skills, lifelong learners)
- **Resilience/Courage** (Stepping out of my comfort zone!)
- **Confident and Competent** (to perform for fun, become a leader!)
- **Semi structure** (We have expectations for tamariki to succeed, intentional teaching, intentional outcomes)
- **Blossoming** (planting and showering the seeds to grow)
- **FUN** (fun, laughter, joy are our goals!)
